***VANDERLOOP SHOES RAISES OVER \$2000 FOR WINDMILL PROJECT  
WITH CLOGGY SLIPPERS PROMOTION***

LITTLE CHUTE, WI (June 2, 2009) – Vanderloop Shoes in Little Chute has raised \$2175.00 for the Little Chute Windmill Project by donating \$5.00 from every pair of plush “cloggy” slippers sold at their store. About 435 pairs of the Dutch clog slippers have been sold at their downtown location in the past three years. Vanderloop Shoes is one of many community-minded local businesses that have chosen to support the Windmill Project through special promotions and corporate donations. “As a company we have chosen to be involved in the community. The windmill will benefit the entire community and all of northeast Wisconsin. This has been a lot of fun for our customers as well as our staff,” said Todd Vanderloop, President of Vanderloop Shoes and Windmill board member.

The cloggy slippers promotion not only helps raise funds for a worthy cause; it has also set a local trend. “I love my cloggy slippers! My orthotics even fit inside them. They are the perfect after work shoe,” said Carolsue Cothorn, Vanderloop Shoes store manager. Cloggy slippers are available in a variety of sizes and styles at Vanderloop Shoes on Main Street in downtown Little Chute.

**Little Chute Windmill, Inc. is a 501(c)(3) non-profit organization dedicated to raising \$2.5 million to build an authentic functioning 100 foot-tall Dutch windmill and visitor center museum in downtown Little Chute to celebrate the Dutch heritage of northeast Wisconsin. To date, approximately \$2.1 million towards the goal has been raised.**

**In the summer of 2010, the organization will open an authentic functioning 100 foot-tall Dutch windmill and visitor center museum in downtown Little Chute, WI. The Little Chute Windmill & Van Asten Visitor Center will educate visitors about the history and legacy of Dutch settlement in northeast Wisconsin.**
